## HOMES IN SUNNY SOUTH

2110 Acre Tract of Fine Prairie Land:

This tract contains 2,110 acres, 50 acres heavy nimber, balance prairie land; 480 acres in cultivation; 1,570 acres prairie meadow. There are five sets of farm houses, barns, wells etc., all fenced and cross-fenced. The buildings on this tract are well worth 75,000, besides the six good wells, fences, orchards, etc. This hand is located right in the heart of one of the finest prairies in Eastern Oklahoma. This is smooth tillable land, absolutely free from rocks, just rolling enough to be drained. Can all be cultivated and plowed with steam machinery. Is very productive and all has a splendid rental income. This land will produce semething like 25 to 40 bushels of wheat per acre, 40 to 60 hushels of cats, 20 to 50 bushels of corn, one bale of cotton, from one and a half to two tons of prairie hay, also good alfalfa land. Is located three miles from Wilburton, okla, the county seat of Latimer county. Also has two railroad stations within two miles of the property; only two miles from the state School of Mines; has a splendid public road running through it, and it is located in a good farming community. One-half mile from a public school, six gend churches are located within three miles of these properties, representing the following denominations: Catholic, Missionary Papitst, Michhodist, Preshvierian, Christian and Lafter Day Saints. The state highway road from Oklahoma Chy cast to the Arkansas line runs through this tract of land. This is one of the most valuable turns as well as one of the best farming communities in Latimer county. The native grass, which still has a good sod on the 1,570 acres of land, produces from one and a half to two tons of fine prairie hay without any care or estitivation, except the harvesting. This hay is worth ordinarily from \$12 to \$14 per ton on the market. This tract of land will appeal to any man or set of men who are looking for a good farm investment and especially a valuable combination farm and stock raising proposties. There are two creeks of fine running water which last t
